

# Universal Glue – Transparent

**Rapid high performance hot melt glues** liquefy when heated and quickly fill gaps and stick to the materials. They cool, harden and reach high bond strength in several seconds. They also allow to move assemblies immediately - open time - to eliminate clamps and reduce drying time – set time - .

## Applications :

For a wide range of heavy-duty applications involving different types of material. The glue works ideally on various material and for all kind of bonding requiring a high glue output. Also good for applications where transparent glue is needed. To be used with EG280, 320 and any other tool from the PRO assortment.

## Features & Sustainability :

- Made of EVA basis.
- Solvent free and non irritant.
- Universal glue for all kind of bonding. Glue dries quick, helps to cover wider surfaces quickly, prevents from holding the parts too long.
- Transparent rendering for invisible gluing.
- Low viscosity for high flow rate which increase productivity.
- High content for Installation use.
- Long sticks for high efficiency, less reloading.
- Box can be presented laid or hanged.
- To strengthen Rapid sustainability policy, the carton packaging is FSC certified.

## Storage :

Unlimited in standard ambient conditions: 15 to 35 °C. Store away from heat. Store in dry, dust-free, and well ventilated environment. Keep in cool and dark area.

## Specifications :

- Diameter : 12mm
- Stick length : 190mm
- Colour : Transparent
- Softening point (Ring & Ball) : 80 - 96 °C
- Open time : ~ 20 seconds
- Set time : ~ 15 seconds
- Application range : 170 - 190 °C according to the type of applicator and used materials
